Summary	During registration, there is no verification of password reliability (due to the number of characters, different case of letters, etc.)
Pre-conditions	Open <a href="https://exe.ua/">https://exe.ua/</a>
Steps	<ul style="list-style-type: none"> <li>- Click on "Registration" in the upper right corner</li> <li>- Enter data: name - Anastasia surname - Kovaleva mail - nati.kovah@gmail.com phone number - +380962878629 password - 1 password again - 1</li> <li>- enter the captcha shown in the picture</li> <li>- Click "Register"</li> </ul>
Post-conditions	Enter the code received on the phone to confirm registration
Expected result	The field with the password is highlighted in red. The text "Password must consist of at least 6 characters, using lower and upper case and numbers" appears
Actual result	The system skips the unreliable password "1", registration is done

Summary	The "compare products" page does not have a characteristic filter for comparison, it is inconvenient to use when zooming in
Pre-conditions	Open <a href="https://exe.ua/">https://exe.ua/</a> Go to the product catalog - Computers - Tablets
Steps	<ul style="list-style-type: none"> <li>- add the first 16 products to the "compare" list</li> <li>- go to the "compare products" page using the "compare" button at the bottom of the page</li> <li>- click on the "various" button on the right side of the page</li> </ul>
Post-conditions	
Expected result	a filter will appear based on the characteristics that the user wants to compare
Actual result	only characteristics that have one value appear for comparison, and it is different for each product
